GENERAL INFORMATION

The 2023 Skate Canada Sub-Sectionals of Québec will be conducted in accordance with the Skate Canada [Competitive Rules](#).

The pre-competition technical file for each discipline, ISU releases and clarifications should also be consulted in preparation for the coming season.

Rules governing Sectional championships also apply to any sub-sectional or other sectional elimination rounds unless otherwise stated in this announcement.

If there are fewer entries than the normal quota allotted to each section in any Sectional competition, the section may elect to cancel the competition and may approve the entry of the relevant competitors to the Skate Canada Challenge competition of the same category (if applicable).

With the current situation, Patinage Québec has developed possible scenarios for the realization of the 2023 Skate Canada Junior and Senior Sectionals Québec Championships, according to the health rules and restrictions that will be in effect in the Province of Quebec in November 2022.
